Pittsburgh, PA

---

## Work Experience

### **Code Genius (Kid's Coding Academy)**

Intern, Part-time Worker

July 2023 - July 2024

Bangkok, Thailand

- Analyzed direct and indirect competitors and compiled a report to present to the executive, developing strong analytical and presentation skills
- Devised and implemented marketing activities that achieved key performance indicators (KPIs) to increase novice leads for coding classes
- Instructed 50+ engaging, activity-based coding and robotics lessons to children aged 4-12 to foster creativity and technical understanding

### **JC Pharmacy**

Part-time Worker

March 2022 - June 2022

Bangkok, Thailand

- Organized sales orders and medicine shelves and put on price tags
  - Handled customer phone calls regarding orders, and general inquiries
  - Assisted in creating, copying, and organizing sales documents
  - Performed occasional odd jobs when required, such as unpacking incoming shipments, checking stock numbers, etc.
- 

## Leadership and Engagement Experience

### **AFS Intercultural Programs**

Exchange Student

August 2022 - June 2023

Manhattan, Kansas

- Selected for a prestigious, highly competitive 1-year national exchange program in the US
- Represented Thailand through interviews with 30+ gifted program students at local middle schools and delivered engaging visual presentations at a high school talent show with a 500+ audience

### **Panyaprateep School**

Student Council, Event Organizer

May 2021 - March 2022

Nakhon Ratchasima, Thailand

- Represented a student body of 120+ to address ongoing school issues and collaborated with head teachers to propose solutions
  - Organized large-scale events such as Sports Day, Freshman Orientation, Senior Farewell, Christmas Party, and Music Festival by managing logistics and financial transactions effectively
- 

## Skills

Technical - Python, HTML, CSS, Microsoft Office

Language - English (Fluent), Thai (Native)
